COUNTRYSIDE HIGH SCHOOL SENIOR CELEBRATION 2011

To: Community Members

“CHS Senior Celebration” is a Countryside High School tradition of providing seniors with a safe and fun place to celebrate their graduation and to be together one last time for an evening to remember. The event is an alcohol and drug-free celebration which is planned, organized, and carried out by the parents of the senior class. Our approximately 500 seniors are looking forward to this celebration of their final year of high school and our goal of making it special is a monumental task. The 2011 CHS Senior Celebration will be held on Wednesday, June 8 from 10:00 pm until 2:00 am at Celebration Station in Clearwater.

We are asking you to join us in supporting our seniors by giving a tax deductible donation. Our tax ID# is 59-3081652. Sponsors will be recognized in the Senior Celebration Program. Please make checks payable to Countryside High School PTSA and include “Senior Celebration” on the memo line. Your payment can be mailed to the above school address, to the attention of CHS Senior Celebration 2011.

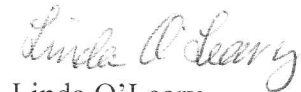

Prizes have traditionally added fun and excitement to the evening. If your business or place of work produces items or provides services which are desirable to young adults, please consider donating them to the event. The value of the donated items is tax deductible as well.

If you have any questions regarding the Countryside High School Senior Celebration 2011, the appropriateness of items to be donated, or suggestions regarding other sources, please feel free to contact us. We look forward to your support to guarantee that the graduates of 2011 have a safe and fun evening to celebrate their accomplishments. Thank you on behalf of the 2011 Countryside High School graduating class.

Sincerely,

Gerald Schlereth
